THE INTERNATIONAL CPTED ASSOCIATION CAP PROGRAM*

*ARVADA, COLORADO*

**JUNE 26 & 27 - 2021**

# For the first time in Colorado Next generation CPTED training

The Hilton Garden Inn Arvada  
5455 Olde Wadsworth Blvd, Arvada, CO  
855-680-3239 (<https://www.hilton.com/en/>)

## JOIN US

... in the beautiful village of Olde Town Arvada five miles N/W of downtown Denver, for an interactive and fun 2-day workshop on SafeGrowth and CPTED. We will provide hands-on training, field visits, day and night safety audits, and work in 1<sup>st</sup> Generation CPTED and 2<sup>nd</sup> Generation CPTED. You will also be among the first to learn the innovative neighborhood safety planning system called SafeGrowth, developed by the course instructor and delivered in cities across the world. Our training is a Class A accredited CPTED course with the International CPTED Association. You will also learn from one of the most experienced and leading CPTED experts in the world.

## YOUR INSTRUCTOR

Gregory Saville, MES, MCIP, ICCP

Author of "SafeGrowth®: Building Safe and Livable Neighborhoods" • 35 years in 1st and 2nd Generation CPTED • Developer of the SafeGrowth® planning method • Urban planner and former police officer • Expert on Spatial Forensics / offender target selection • Co-founder of the International CPTED Association • Chair of the ICA CPTED Course Accreditation Committee

## WHAT YOU LEARN

1<sup>st</sup> Generation CPTED (territorial reinforcement, land use tactics, plan reading, crime displacement mitigation) • 2<sup>nd</sup> Generation CPTED (placemaking, social cohesion/culture, tactical urbanism) • Risk Assessment Matrix method for diagnosing neighborhood problems • Introduction to Spatial Forensics and offender target selection • SafeGrowth® planning and project management • Class A Accredited CPTED course with the ICA • Eight of 11 core competencies in the ICA professional Certification Program • Certificate of completion in SafeGrowth® & CPTED • A global network of contacts with subject matter experts in SafeGrowth and CPTED

## WHY SAFEGROWTH AND CPTED?

The SafeGrowth planning method and crime prevention through environmental design offer a truly proactive way to reduce crime risks and create safer places for everyone in your community. By learning the strategies in this program you will learn life-long skills in security and safety to help your organization and community. You will gain the necessary competencies to enhance your own professional development through the ICA's CPTED professional certification program, the only independent and international CPTED certification available for professionals. You will also learn how to properly diagnose crime problems and how to implement solutions to those problems. Finally, you will meet experts in SafeGrowth and CPTED from around the world as part of your new resource network to help you in future.

## HOW WE RUN THE PROGRAM

Our SafeGrowth & CPTED training is a hybrid program with the following three stages:

Before the course:

- Pre-course reading
- Online webinar

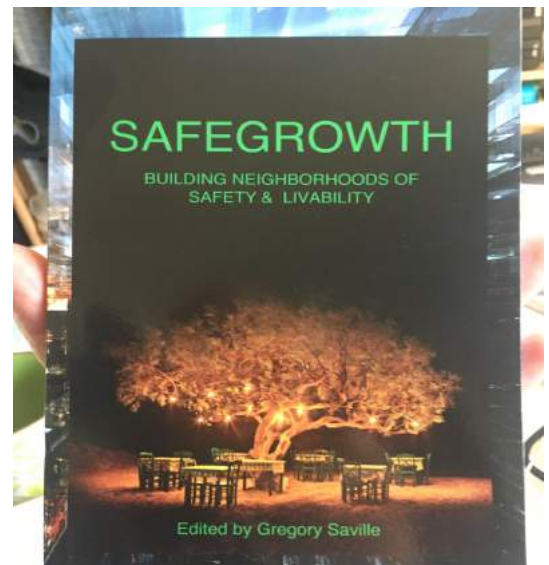

During the course:

- Two day workshop with day/night field exercises
- Extensive training manual and in-class exercises
- You devise a real-life project for applying your skills

In the months following the course:

- You conduct field project and we mentor you online
- You email project report for review
- You present your project online for evaluation

For more information on AlterNation programs see:  
[www.alternation.ca](http://www.alternation.ca)

We will follow COVID-19 protocols in class (masks, social distancing) • Hilton hotels have strict COVID cleaning protocols • Parking is free • The Hilton Garden Inn Arvada has complimentary WiFi, pool, hot tub, exercise facilities, on-site restaurant and walkable restaurants in Olde Town • Arvada is in the western suburbs of Denver, Colorado, in the foothills of the Rocky Mountains

## DIRECTIONS

**In-class training is June 26, 27, 2021.**

Our training venue is the Hilton Garden Inn Arvada in the Historic Olde Town, Arvada, Colorado in the foothills of the Rocky Mountains near Denver. It is easily accessible from the Denver International Airport by commuter rail or via a 35 minute drive by car, taxi or Uber. Hilton Arvada will provide a **discounted \$145 per night rate** if you mention the AlterNation training while booking.

**AIR:** The Denver International Airport is one of the largest international airports serving all major airlines.

**TRAIN:** The Denver Airport Rail is available from the Denver International Airport and a 35 minute ride takes you directly to Union Station in downtown Denver (\$10.50 from a ticket vending machine). Transfer onto the G Line train to Arvada Station (15 minutes). The Hilton Garden Inn is a 5 minute walk from the Arvada train station.

**CAR:** From the Denver International Airport take I-70 west to Arvada (28 miles). Exit 269A to Wadsworth Blvd North. Turn left on W 53 Ave and that runs directly to the hotel at 5455 Olde Wadsworth Blvd.

## COSTS

Early Bird Registration - **\$680** (register before May 31)

Full Registration - **\$800** (register after May 31)

The Hilton Garden Inn Arvada (ask for the "**AlterNation discount \$145**")
